NOTIFICATION OF INTENT TO READOPT EMERGENCY REGULATIONS

Subject: Interpreter Services

The Department of Industrial Relations, Division of Workers' Compensation (DWC) proposes to readopt the emergency regulations that were adopted effective January 1, 2013 (OAL File No. 2012-1219-05E) affecting and implementing Interpreter Services. The emergency regulations can be found at Article 5.7 of Chapter 4.5, Subchapter 1, of Title 8, California Code of Regulations, sections 9795.1, 9795.3, and 9795.5.

Pursuant to California Code of Regulations, title 1, section 52(c), DWC is incorporating by reference the rulemaking file, OAL File No. 2012-1219-05E, submitted December 19, 2012, for the initial adoption of the emergency regulations.

Pursuant to California Code of Regulations, title 1, section 52(b)(1), DWC has made progress and proceeded with diligence to comply with Government Code section 11346.1(e). On February 1, 2013, the Notice of Proposed Action for the above-described regulations was published in the California Regulatory Notice Register. DWC correspondingly posted all required rulemaking materials on its website and mailed the notice to the DWC interested parties list. On March 19, 2013, DWC conducted an open, regulatory hearing on the proposed Interpreter Services regulations. Following the public hearing, DWC staff diligently reviewed extensive comments submitted during the 45-day public comment period, and on May 21, 2013 issued a notice of revised regulations for a 15 day comment period, which closed on June 5, 2013. On May 30, 2013, DWC issued another notice of revised regulations for a second 15 day comment period, which closes on June 14, 2013. It is unknown at this time whether further revisions will be necessary before July 1, 2013, the date the regulations must be filed with the Office of Administrative Law (OAL). A readoption of the emergency regulations will provide the additional time necessary for DWC to complete the regular rulemaking process and Certificate of Completion.

Pursuant to California Code of Regulations, title 1, section 52(b)(2) there have been no changes in emergency circumstances since the original adoption of the emergency regulations.

Government Code section 11346.1(a)(2) requires that, at least five working days prior to submission of the proposed emergency action to the OAL, the adopting agency provide a

notice of the proposed emergency action to every person who has filed a request for notice of regulations action with the agency. After submission of the proposed emergency to OAL, OAL shall allow interested persons five calendar days to submit comments on the proposed emergency regulations as set forth in Government Code section 11349.6. Upon filing, OAL will have ten (10) calendar days within which to review and make a decision on the proposed emergency rule. If approved, OAL will file the regulations with the Secretary of State, and the emergency regulations will become effective for one hundred and eighty (180) days. Within the 180-day effective period, DWC will proceed with a regular rulemaking action, including a public comment period. The emergency regulations will remain in effect during this rulemaking action.

Attached to this notice is the specific regulatory language now in place following DWC's emergency action and an updated version of the Finding of Emergency submitted to OAL in December 2012.
