### **DWC Opens Registration for 21st Annual Educational Conference**

The California Division of Workers' Compensation (DWC) is pleased to announce that [registration](#) for its 21th annual educational conference is now open. The conference will take place February 3-4, 2014 at the Los Angeles Airport Marriott (new location) and February 10-11, 2014 at the Oakland Marriott City Center Hotel.

Attendee, exhibitor, and sponsor registration forms may be downloaded from the conference [website](#).

Conference registration flyers were also recently mailed to the more than 8,000 names on our mailing list. Registration forms are also available at the conference website and the front counters of the [24 DWC district offices](#) in the state.

This annual event is the largest workers' compensation training in the state and allows claims administrators, attorneys, medical providers, return to work specialists, employers and others to learn firsthand about the most recent developments in the system. The 2014 conference will be particularly important as DWC continues to implement the provisions of SB 863 with new regulations, forms, and procedures.

The conference is applying for continuing educational credits by attorney, claims adjuster, rehabilitation counselor, case manager, disability management, and qualified medical examiner certifying organizations.

Organizations who would like to become sponsors of the DWC conference can do so by going to the Web site above.

In 2013 more than 2,000 attendees and 110 exhibitors signed up, so DWC encourages early registration.
